

## MAKE UP IS MY BUSINESS

*Pink Parody of 'Takin' Care of Business' in the style of Bachman Turner Overdrive  
New lyrics by Jonathan Boone*

Well there's millions of women they've all got skin and  
Somebody's got to make it look great  
That's my job and I sure love it give them lotion let them rub it  
Oh it always puts a smile on their face  
So if your skin's got you scared I can answer all your prayers  
Just call me up I'll come and make your day  
Better than a magician who can give you all your wishes  
I'm your own consultant with Mary Kay®

Make up is my business Mary Kay®  
Make up is my business I sell it every day  
Make up is my business all the time  
Make up is my business I'll make you look so fine  
Make up

When you want a free facial I'll come over to your place I'll  
Bring a little bit of everything I've got  
You can try lipstick and mascara you can bring some friends to share and  
When we leave there man you'll all be looking hot  
Yeah we'll have a lot of fun and before the evening's done  
I'll tell you about this business that I do  
You'll see the opportunity then I know that you'll agree  
Mary Kay® can help you make your dreams come true that's why

Chorus

Now if you wake up the next morning to the alarm clock's warning  
And you realize you haven't slept a wink  
'Cause you had all these dollar signs just kept running through your mind  
And your dreams were of a Cadillac® that's pink  
You've got a strange suspicion skin care could be your mission  
You think you want to try this Mary Kay®  
Yeah you want to know the joy that comes from being self-employed  
Well come on girl your future starts today then you'll say

Chorus

## MARY KAY® WOMAN

*Pink Parody of 'American Woman' in the style of Lenny Kravitz  
New lyrics by Jonathan Boone*

A Mary Kay® woman that's what I'm talking about  
Mary Kay® woman you got to check this out  
A woman like that always dresses sharp  
The make up she wears is like a work of art  
She knows who she is her head's held high  
Everybody she meets says man that girl is fly  
That woman she lives out loud  
A Mary Kay® woman stands out from the crowd

Mary Kay® woman she's one of a kind  
A Mary Kay® woman always looks so fine  
She's always strong but she's never tough  
Only her best is ever good enough  
Inside her heart she's got that Go-Give™ thing  
On the outside yeah she's all bling-bling  
That woman always wears a smile  
A Mary Kay® woman she's got class and style

Mary Kay® woman that girl's so hot  
Mary Kay® woman you want what she's got

## AIN'T THAT PINK CADDIE SEXY

*Pink Parody of 'She Thinks My Tractor's Sexy' in the style of Kenny Chesney  
New lyrics by Jonathan Boone*

It's common that we honor all of those who do their best  
We take a shiny medal and we stick it on their chest  
Or give a giant golden cup to the team that wins the game  
But Mary Kay Ash she had a better idea  
She said I'll recognize them with a trophy on wheels  
All around the world now folks all react the same

Ain't that pink Caddie sexy  
It really turns me on  
I see it driving past me  
And wish I had me one  
I picture me behind the wheel cruising up and down the street  
My backside's nice and comfy in that cushioned leather seat  
I don't think I'll ever tire of everybody staring at me  
Ain't that pink Caddie sexy

There's nothing quite like riding in the lap of luxury  
The kicker is that Mary Kay she let's you use them free  
It's just her way of saying this gal's the cream of the crop  
They used to look like bubblegum but now they're pearlized  
And everywhere they're driven man they're always recognized  
First people do a double take and then their jaw will drop

### Chorus

No you can't go and buy one even if you've got the cash  
'Cause everybody knows you've got to earn that kind of class

Ain't that pink Caddie  
Ain't my pink Caddie sexy  
It really turns me on  
I did just what they asked me and now I have me one  
Yeah that's me behind the wheel cruising up and down the street  
My backside's nice and comfy in that cushioned leather seat  
I just wave and flash a smile at everybody staring at me  
Ain't my pink Caddie sexy!

## MARY KAY® IS UNBELIEVABLE

*Pink Parody of 'Unbelievable' in the style of EMF  
New lyrics by Jonathan Boone*

I got some education  
Then I went and found a job  
I thought I'd spend a lifetime there  
Then retire with a golden watch  
I worked real hard I did my best  
And tried to climb the corporate stair  
But every time my paycheck came  
I saw I wasn't going anywhere

The wage they pay  
It's barely enough to live these days  
The things they pay  
It's unbelievable

We thought we'd take a vacation  
While the kids were out of school  
I asked for some time off  
They looked at me like I was a fool  
To think that I would want  
To spend time with my family  
They had the nerve to criticize  
And challenge my priorities

The things they say  
There's got to be a better way  
The things they say  
It's unbelievable

Then somebody talked to me  
About Mary Kay® the company  
Where I decide how much I earn  
And choose the hours I want to work  
I answer to no one  
They treat me like I'm royalty  
I travel now in luxury  
And see the world anytime I want to  
They give me cars and diamond rings  
Now every day's just like a dream

I work from home for myself now  
My boss is really cool  
There's nothing I like better than  
To be here when my kids get home from school  
Sometimes I drive by my old job  
In my fancy pink Cadillac®  
I see the people that I used to know  
And it always makes me want to laugh

'Cause I hear them say  
I can't believe you live this way  
I hear them say  
How did you go so far  
The things I'm paid  
Sometimes it just blows me away  
Yes Mary Kay®  
Is unbelievable

## TIMEWISE®

*Pink Parody of 'I Will Survive' in the style of Gloria Gaynor*

*New lyrics by Jonathan Boone*

At first I was afraid I was terrified  
When I looked into the mirror and I saw my hide  
There were laugh lines on my mouth and I had crow's feet by my eyes  
I wished I could vanish that I could go somewhere and cry  
But no not I, I will survive  
I called my Mary Kay® consultant and I got TimeWise®  
And now I put it on my face every day and every night  
My skin is vibrant you know it feels so firm and tight

Wrinkles are gone from off my face  
Now I use TimeWise® they had to find some other place  
So you might see them on an elephant's rear end  
But not on me 'cause they ain't coming back again  
No more fine lines no not for me  
I got that magic in a bottle and it set me free  
Now my skin it looks so young because I use that three in one  
And I look fine I use TimeWise®  
TimeWise®

It only took a couple weeks 'til I could see a change  
The people I'd known all my life they looked at me a little strange  
They'd ask me did you cut your hair or maybe lose a little weight  
They'd say I'm not sure what it is but you are really looking great  
It's got SPF to block the light  
I won't give in to Father Time no not without a fight  
Because when the moisture comes then the creases start to go  
This TimeWise® set's a miracle and I want the world to know

Wrinkles are gone from off my face  
Now I use TimeWise® they had to find some other place  
So you might see them on an elephant's rear end  
But not on me 'cause they ain't coming back again  
No more fine lines no not for me  
I got that magic in a bottle and it set me free  
Now my skin it looks so young because I use that three in one  
And I look fine I use TimeWise®  
I love TimeWise®

## MY MOM DUZ MEREE CAY

*Pink Parody of 'I Love Rock & Roll' in the style of Joan Jett and the Black Hearts  
New lyrics by Jonathan Boone*

*Performed by Sheldon 10, Allison 7, & Nicole Boone 5  
Inspired by a school paper written by my 7 year-old Allison*

Growing up can be a tough thing you see  
I wonder what I'll be when I'm seventeen  
Mom she wonders too  
Here's what she chose to do  
She joined a company  
One that would make her free  
To reach all her hopes and dreams  
And still raise a family

Now my mom does Mary Kay®  
She wants to be the one who will raise her baby  
Mom does Mary Kay®  
So she can stay at home and be with me

It takes both roots and wings if I'm gonna succeed  
The values that are hers are the ones I need  
It don't take a village it takes a mom  
To save the world from all that's wrong  
I just get one turn on earth  
So God sent me to her  
She's best qualified to lead me through this life

Chorus

I get prepared at home  
To face the world when I am grown  
She makes it plain to see  
She wants the best for me  
That I'm her priority  
I know that she loves me

Chorus

## HYDRATE THE WORLD

*Pink Parody of 'Highway to Hell' in the style of AC/DC*

*New lyrics by Jonathan Boone*

Dirt and oil sun and wind  
Make my face look like a saddle bag  
Suck the moisture from my skin  
Leave me feeling like an ugly old hag  
There's a trio that can save the day  
Hydro agents H<sub>2</sub> and O  
They're on a mission from Mary Kay®  
They only do one thing they've only got one goal

They're gonna hydrate the world  
Hydrate the world  
Hydrate the world  
Hydrate the world

So many pimples in my complexion  
I swear my face could be an oil well  
I need those not so secret weapons  
I need some oil-free hydrating gel  
This is urgent cries Commander Splash  
He sends a signal out across the sky  
To save the world and earn lots of cash  
All the women in pink unite

They're gonna hydrate the world  
Hydrate the world  
They're gonna hydrate the world  
Hydrate the world  
I need moisture

## **Still Mary Kay® for Me**

*Pink Parody of 'Still Rock & Roll to Me' in the style of Billy Joel*

*New lyrics by Jonathan Boone*

What's the matter with this job I'm working  
Mary Kay asked herself one day  
I do twice as much as all the men I've been training  
But I'm only getting half the pay  
They told her starting up a business wouldn't work for a lady  
She paid them no attention let me tell you something baby  
Forty years have come and gone and every day she proved them wrong  
It's still Mary Kay® for me

Mary Kay said giving people lots of praise and recognition  
Is the way to help them to succeed  
She said hard work is a virtue but you got to keep a balance  
Faith and family are priorities  
They told her that a corporation couldn't live the Golden Rule  
She did it anyway now tell me who looks like a fool  
Forty years have come and gone and every day she proved them wrong  
It's still Mary Kay® for me

Oh when the books have all been written on the history of business  
In the twentieth century  
You'll find a lot of people who built a company or two  
But there's only one who founded a dream  
The queen of the business scene

What's the matter with just working for a paycheck  
Not a thing if all your dreams are small  
Diamond rings and furs and trips around the world  
Mary Kay thought you should have it all  
They told her nobody would ever drive a Cadillac that's pink  
Now there's thousands on the road I wonder what they think  
Forty years have come and gone and every day she proved them wrong  
It's still Mary Kay® for me

What's the matter with the vision that she painted  
Only thing that's missing now is you  
Somebody cared enough to share the dream and all its power  
It's up to you to make it all come true  
There's going to be a lot of people telling you you'll never make it  
Just keep the focus on your dream and reach out there and take it  
Forty years have come and gone and every day we prove them wrong  
It's still Mary Kay® for me

Forty more may come and go  
There's one thing that ain't changing though  
It's still Mary Kay® for me!

I pray you'll be our eyes and watch us where we go  
And help us to be wise in times when we don't know  
Let this be our prayer as we go our way  
Lead us to a place guide us with Thy grace  
To a place where we'll be safe

La luce che tu dai  
I pray we'll find Thy light  
Nel cuore resterà  
And hold it in our hearts  
A ricordarci che  
When stars go out each night  
L'eterna stella sei  
Nella mia preghiera  
Let this be our prayer  
Quanta fede c'è  
When shadows fill our day  
Lead us to a place  
Guide us with Thy grace  
Give us faith so we'll be safe

Sognamo un mondo senza più violenza  
Un mondo di giustizia e di speranza  
Ognuno di la mano al suo vicino  
Simbolo di pace e di fraternità

La forza che ci dai  
We ask that life be kind  
E' il desiderio che  
And watch us from above  
Ognuno trovi amor  
We hope each soul will find  
Intorno e dentro a sé  
Another soul to love

Let this be our prayer just like every child  
Needs to find a place guide us with Thy grace  
Give us faith so we'll be safe

E' la fede che  
Hai acceso in noi  
Sento che ci salverà

## ONE MOMENT IN TIME

Each day I live  
I want to be a day to give the best of me  
I'm only one but not alone  
My finest day is yet unknown  
I broke my heart for every gain  
To taste the sweet I faced the pain  
I rise and fall  
Yet through it all this much remains

I want one moment in time  
When I'm more than I thought I could be  
When all of my dreams  
Are a heart beat away  
And the answers are all up to me  
Give me one moment in time  
When I'm racing with destiny  
Then in that one moment of time  
I will feel eternity

I've lived to be the very best  
I want it all no time for less  
I've laid the plans  
Now lay the chance here in my hands

### Chorus

You're a winner for a lifetime  
If you seize that one moment in time  
Make it shine
