

### **Microdermabrasion for Me**

*Pink Parody of 'The Locomotion' as performed by Atomic Kitten*

*New lyrics by Jonathan Boone*

Seems everybody's searching for a fountain of youth now  
You'll love Timewise® microdermabrasion  
Mary Kay® has got it and I'm telling the truth now  
You'll love Timewise® microdermabrasion  
Younger looking softer skin, if that's what you seek  
You could see it on your face in less than a week  
So come on, come on get microdermabrasion from me

It will improve skin texture  
It reduces fine lines but what's more  
It'll give you smaller pores

It only takes a tiny quarter-size dab of lotion  
You'll love Timewise® microdermabrasion  
Just rub it on your face in a circular motion  
You'll love Timewise® microdermabrasion  
You'll feel refining crystals as they come into play  
And you will swear that time itself has been washed away  
So come on, come on try microdermabrasion and see

The second step sets Mary Kay® apart from the rest now  
You'll love Timewise® microdermabrasion  
Replenishes your skin to leave it looking its best now  
You'll love Timewise® microdermabrasion  
It nourishes with vitamins and things that you need  
Like antioxidants to keep skin healthy and clean  
So come on, come on use microdermabrasion and see

It will improve skin texture  
It reduces fine lines there's more  
Did I mention smaller pores

Yeah everybody's searching for a fountain of youth now  
You'll love Timewise® microdermabrasion  
Mary Kay® has got it and you're living proof now  
You'll love Timewise® microdermabrasion  
That younger looking softer skin that everyone seeks  
You've got it on your face now for the whole world to see  
So come on, come on its microdermabrasion  
Come on, come on its microdermabrasion  
Come on, come on its microdermabrasion for me

## **Mary Kay® Enthusiasm**

*Traditional parody of 'I've Got that Joy, Joy, Joy, Joy Down in my Heart'*

I've got that Mary Kay® enthusiasm up in my head  
Up in my head, up in my head  
I've got that Mary Kay® enthusiasm up in my head  
Up in my head to stay

I've got that Mary Kay® enthusiasm down in my feet  
Down in my feet, down in my feet  
I've got that Mary Kay® enthusiasm down in my feet  
Down in my feet to stay

I've got that Mary Kay® enthusiasm deep in my heart  
Deep in my heart, deep in my heart  
I've got that Mary Kay® enthusiasm deep in my heart  
Deep in my heart to stay

I've got that Mary Kay® enthusiasm all over me  
All over me, all over me  
I've got that Mary Kay® enthusiasm all over me  
All over me to stay

I've got that Mary Kay® enthusiasm up in my head  
Down in my feet, deep in my heart  
I've got that Mary Kay® enthusiasm all over me  
All over me to stay!

## **Our Family's Brand**

*Pink Parody of 'The Brady Bunch' TV theme song  
New lyrics by Jonathan Boone*

We needed something for my teenage siblings  
To make their pimples and their blackheads go away.  
Mom was tired of her old lipstick and new wrinkles.  
Daddy said we didn't have a lot to pay.

Then a neighbor took Mom to a skincare party  
That's where she was introduced to Mary Kay.  
They had products that could solve all of our problems.  
And she could really save!

Now Mary Kay's the only brand our family uses  
To cleanse and color, moisturize and shave.  
We're a happy and a more attractive family.  
If you ask us why you're gonna hear us rave!

It's Mary Kay! It's Mary Kay!  
Our whole family uses Mary Kay!!!

**Mom's Make Up**

*Pink Parody of the Oscar Mayer Bologna jingle*

*New lyrics by Jonathan Boone*

My mommy wears this make up  
Its name is Mary Kay®  
It makes her look real pretty  
But I think it's kind of strange  
When people say she looks so fine  
That her skin looks as young as mine  
She just smiles and says the reason why is  
M-A-R-Y-K-A-Y

## **Movin' Up Boogie**

*Pink Parody of Boogie Shoes as performed by KC and the Sunshine Band

## **The Race is On**

*Pink Parody of 'The Race is On' as performed by Sawyer Brown  
New lyrics by Jonathan Boone*

I feel my fears wellin' up from deep inside  
But its time to put 'em away  
'cause I'm running in the race of my life  
And that starting bell rings today  
I'm saddled up, I've got big goals  
Everybody's gonna see  
When the dust settles at the finish line  
The winner will be me!

Chorus

Now the race is on to be on stage at Seminar  
Hard work will get me to the finish line  
Ain't holding nothing back I'm gonna win it all  
I'm charging hard right out of the gate  
My futurity is on that stage  
Yeah the race is on and there's no question  
That I'm gonna win with Mary Kay

I grew sick and tired of waking up each morning  
Wonderin' who was out in the lead  
I finally realized the rider in my saddle  
Is the one I need to beat  
You know a perfect start leads to a perfect finish  
Now I'm what you'd call a sure bet  
When they gather in the winners' circle  
I'm gonna have roses 'round my neck!

Chorus

Chorus
